AHMED SALAH

Business Administrator & Digital Marketing

With web development skills

7 years of work experience, 5 years in **digital marketing** and sales across both **B2B** and **B2C** environments, and 2 years in online and office administration support, across different sectors; hospitality, healthcare, and financial. During 5 years of digital marketing, I have developed high skills in website development and **SEO** optimization, allowing me to combine business, marketing, and **technology skills** into one strong package. Also had the privilege of working across different countries and gaining an international perspective.
